DACA Horse Pull Recap

Well they say all good things come to an end. First I want to say thank you my dad Jack Nolan who was the one who fought hard to get this started, with Bonnie by his side all the way. Who knew that it would be one of the biggest pulls in the Ottawa Valley? What an accomplishment for a small community. Wish my dad was here to see it to the end. I also would like to thank Teresa Connaughan for always serving wonderful meals. Our thanks goes out to all the volunteers and all the sponsors. Without you we would not be able to have had continuous successes. Over the 36 years it has been a great ride. I would also like to thank all the people who have supported our breakfasts.

Thanks again for everything from the horse pull committee

DACA would also like to thank Susan and her crew for constantly hosting this event for so many years. Along with the breakfasts it has been a real pleasure for our community to enjoy what you have done.

Thank You Susan, DACA

Son: Dad, do you know the difference between a pack of cookies and a pack of elephants?

Dad: No.

Son: Then it's a good thing Mom does the grocery shopping!

Happy Father's Day. Thank you for all your submissions, keep them coming. If you want to see your **clean** joke in the newsletter, just send it to Michael at dacacommunity@gmail.com
