TAX BILL INFORMATION

The Township mails two tax bills each year. The first tax installment, due the final Wednesday of March, is the interim tax bill, which is calculated at 50 percent of the previous year's total property taxes. The final bill, due the last Wednesday in September, is calculated using the current market value assessment times the tax rate less the interim bill amount. Property taxes are divided between the Upper Tier (County of Renfrew), the Provincial Education (School Boards) and the Lower Tier (Township).

All property owners receive a Notice of Assessment from the Municipal Property Assessment Corporation of Ontario (MPAC) for the 2017 - 2020 property tax years. This document indicates the market value of your property as of January 1st. This value will be used for tax calculations. The Township does not establish the value of your property, MPAC does.

It is our great pleasure to extend this sincere thank you for all your time and effort spent volunteering throughout the Township.

It is our volunteers who give so freely of their time and expertise that make our Township a wonderful place!
