

OVTA – complimentary membership

In light of the effect that COVID-19 has had on tourism businesses, and as a gesture of tourism partnership, the Ottawa Valley Tourist Association (OVTA) would like to offer a **complimentary membership** to local businesses in the County of Renfrew and City of Pembroke.

The OVTA is a non-profit, membership-based, Destination Marketing Organization that works to promote and stimulate tourism in the Ottawa Valley, and we would like to be more inclusive and capture all tourism businesses as well as those that support tourism in the Valley.

The benefits of a free OVTA membership include:

- Basic directory listing on website
- Participation in many and varied marketing programs
- Preferred advertising rates in print publications
- Access to private OVTA Stakeholder Group on facebook to support networking and collaborations
- Voting rights at AGM & opportunity to stand for election to Board of Directors
- Receipt of industry newsletter
- Participation in workshops/training programs, networking events, etc.

Further details about the OVTA are available at ottawavalley.travel

To take advantage of this **FREE** opportunity, complete the online membership application: <https://ovta.typeform.com/to/ZYELiflx>

We thank you for your support in sharing this good news and look forward to working together through this recovery period and maintaining a strong and resilient tourism industry in the Ottawa Valley!
