**THE CORPORATION OF THE TOWNSHIP OF GREATER
MADAWASKA
WEBSITE REDESIGN
REQUEST FOR PROPOSAL (RFP)
RFP 16-2020**

The Request for Proposal (RFP) process within the Township of Greater Madawaska is established to promote the exchange of new ideas between potential service providers and the Township. RFPs allow for more flexibility in delivering services and products to the Township of Greater Madawaska than would the tendering process. RFPs utilize descriptive objectives and technical specifications as a guideline to suppliers rather than a direct agreement of detail. This affords the Township of Greater Madawaska access to technologically advanced products, innovative thinking and new approaches to solving problems utilizing the combined knowledge and experience of the Suppliers and Contractors. Suppliers and Contractors benefit through an open forum to exchange ideas, promote new products and demonstrate their capabilities without commonly present restraints. This proposal call is by invitation **or if a firm requests to be an invitee.**
