The Township of Greater Madawaska has initiated a project to develop a Township of Greater Madawaska Comprehensive Zoning By-law.

The Comprehensive Zoning By-law regulates the use of land on a site-level basis. The Township of Greater Madawaska is looking to update their existing Comprehensive Zoning By-law provisions in order to better meet the future needs of the community. The Draft Comprehensive Zoning By-law is now complete and will be available to the public for review and comment.

The purpose of this Open House will be to provide opportunity for the public to review the first formal Draft Comprehensive Zoning By-law document, ask questions and provide comments to the project team. This Open House will be a drop-in format; as such, there will be no formal presentation.

The Statutory Public Meeting pursuant to the Planning Act (Ontario) will be conducted at a later date.
