Community Group Spotlight

Calabogie 55+ Club

calabogieseniors1@gmail.com

The Calabogie 55+ Club is an active group consisting of 130 members, who frequently meet socially to form new friendships, strengthen old ones, and welcome new comers. Planning and participating in theatre outings, hikes, senior games, trips, and so much more, keeps the group busy and unites seniors in the community for the betterment of all. Catered or potluck dinner meetings are held on the last Thursday of each month. The Christmas lights at Heritage Point, the Butterfly Garden at Barnet Park, and the outdoor exercise equipment at Barnet Park, are all thanks to this dynamic group. They are also multiple times, proud winners of the Santa Clause Parade Float award. Their active interest in the civic, cultural, social and moral welfare of the community, and their propensity to lend a hand in promoting and working for worthy Community Projects, makes the group a wonderful asset to the community. Their constant kindness is demonstrated through visits to seniors who may be sick, infirmed, or bereaved regardless of their relationship to the club. Plans are to continue their affiliation with the United Senior Citizens of Ontario, as well as their day trips, hiking at Eagles Nest, snowshoe treks, bridge games, bowling, golf, and more. Reach out and join in!
