[www.facebook.com/MatawatchanHall](https://www.facebook.com/MatawatchanHall)

The Matawatchan Hall was built in 1954 to honour returning soldiers. In 2017, with the help of an Ontario 150 Capital Program grant, the Township of Greater Madawaska, the Griffith & Matawatchan Fish & Game Club, the Bernie O'Connor Memorium, and Hall savings, the building was improved by winterizing it, which has saved the structure from deterioration.

The Matawatchan Hall is an essential gathering place for connecting area residents and welcoming newcomers. The Hall supports the community and the community helps support the Hall through donations and fund-raising events. Members take an active interest in the civic, cultural, social, and moral welfare of the community. Encouraging people to serve their community without personal financial reward, by providing facilities for seniors, families, and other groups. Socials, breakfasts, suppers, concerts, dances, movie nights, sports, markets, art shows, and book borrowing, are some of the many enjoyable activities available at the Hall. Find them on Facebook and the Matawatchan and Area website to see what's happening now and take part in their community togetherness!

19 Parnell Street, Calabogie, ON, K0J 1H0
