### **Zoning By-law Amendment – Purpose and Effect**

Additional provisions will include an automotive storage garage accessory to the residential use, which can be constructed before a dwelling on the subject lands. The automotive storage garage would have a minimum permitted height of 5.0 metres with a maximum permitted height of 10.5 metres. Additionally, a Secondary Dwelling Unit will be permitted to be larger than that of the primary dwelling with a maximum height of 10.5 metres.

The effect of the amendment is to rezone the severed lands from Tourism Commercial Exception Sixteen holding (TC-E16-h) to Rural Exception Fifty-Three (RU-E53).

Approval of the Zoning By-law Amendment would follow the approval of the concurrent consent applications having file No. B11/23, B12/23 & B13/23.
