Seniors Active Living Centre (SALC)

We are pleased to announce that we are now part of Ontario's Seniors Active Living Centre (SALC) program. This permanent annual funding will have a lasting impact on our community, improving the lives of our 55+ residents, by providing educational, recreational, fitness, and wellness opportunities, that promote healthy lifestyles and help seniors stay socially connected. For more Information contact: salc@greatermadawaska.com

New Year - New Logo - New Goals

Thanks to grant funding, we've successfully achieved our rebranding goal! We unveiled a new logo that truly reflects our township's unique story. Created with input from the digital survey, interviews, and workshops, this logo highlights the beauty, values, and features that make our community special. The colours reflect the changing seasons, our forests, and our waterways. The "G" symbolizes the thrill of exploration with the rugged terrain. The "M" captures the serene scenery of our area, while evoking a sense of warmth.

Save the Date: Saturday, June 21!

Join us at the Calabogie Community Hall for an exciting day of networking, discovery, and fun! Meet and chat with local businesses, learn about the incredible adventures and services available in the area, and enjoy live music, delicious food from various vendors, and entertainment for all ages.

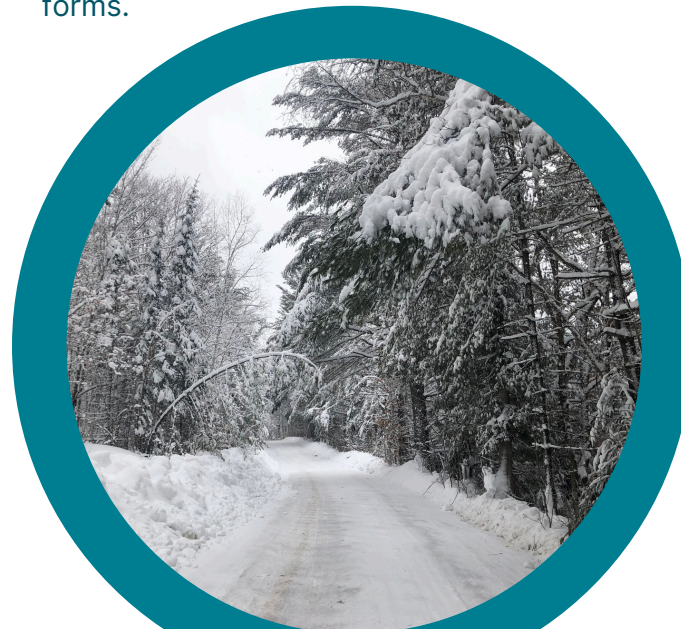

We encourage all local businesses to participate in this fantastic event, providing an opportunity to connect with the community.

Registration is free!

For more information or to register, please contact: jmcewan@greatermadawaska.com

Children's Summer Programs

Registration is open for this summer's Children's Programs. Check out the "Activities and Recreation" page on the Township website for more details including registration forms.

Creating a Village Plan

The Township is embarking on a Secondary Plan project for the Village of Calabogie in the spring of 2025. The goal is to create a Plan to support the future growth of the Village in a responsible and sustainable way. Based on a review of existing conditions and an extensive public consultation strategy, a Secondary Plan will be developed to define commercial, recreational, institutional and residential growth areas and associated policies in the Village. **Keep an eye on the Township's website and social media to see how you can be a part of this exciting project!**

Short-Term Accommodation Online Licensing Portal

The portal goes live March 3rd! Everything you need to know is on our website on the STA page. Your patience is appreciated and we look forward to working with each of you.
